Make this a celebration she won't soon forget with a weekend of activities designed specifically for women. Events include floral demonstrations, history tours, live music throughout the resort, and much more. Package holders will also enjoy a special breakfast seminar on Saturday morning. Guests are invited to participate in many of the unique activities or to simply sit back and enjoy the natural beauty of Sunset Mountain and the tranquility of our award-winning Spa. Top off the weekend with the sumptuous Mother's Day Buffet and the chance to win a basket filled with goodies.

WHY IS YOUR MOM THE GREATEST?

Don't forget to stop by the Concierge Desk during your stay and fill out a card to register your mom for the "Fit for a Queen" Mother's Day basket. Write down your name, room number and a one-sentence description on why your mom is the greatest and turn it in to the Concierge.

The winning card will be drawn at 10:00 A.M. on Sunday, May 10, in the Great Hall.
